SUMMARY

Organized, collaborative, and highly skilled iOS developer with 6+ years of professional experience in dynamic and deadline-driven work environments. In previous roles developed 10+ iOS apps that were downloaded over 100K times, and earned featured mentions in the App Store. I always try to make myself more efficient and compatible with my team members, this also gives me an extra edge to apply my knowledge wherever possible. I'm passionate about developing readable, clean, maintainable source code and delivering a quality product.

EXPERIENCE
